Eastland-Fairfield Career & Technical Schools is a great place to learn, build experience, and explore a career before entering college, technical school, or the workforce. We offer programs in the traditional trades and licensed professions, college-level programs, and programs for students with special educational needs.

Our Focus. Your Future.

Eastland-Fairfield programs allow students to immerse themselves in a career field or profession, spending a half-day learning hands-on and gaining real-world experience. Our classrooms and labs are equipped with the latest technology. Career Technical Education focuses on the standards required in the workplace. Combine that with top-notch academics, and you have what employers call added value. Not only do Eastland-Fairfield programs prepare students for further study, but many also allow students to earn college credits or enter college in advance standing.
