

# Eastland-Fairfield Career & Technical Schools

## Secondary Goals, Strategies, and Performance Measures

### Preliminary Data for 2009-2010

#### DISTRICT GOALS

1. *CTE Concentrators will successfully enter the workforce or transition to postsecondary training.*

**District Perkins Core Indicators of Performance:** **Secondary Placement** (5S1)

- State Level of Performance - 88.0% secondary placement for FY10  
(Established by State Department)
- District Benchmark - 97.0% secondary placement, with 96.0% status known
- 2008-09 Performance - 90.66% secondary placement, with 97.67% status known (one year lag time)
- 2009-10 Performance - One Year Lag in Data**

**District Perkins Core Indicators of Performance:** **Technical Skill Attainment** (2S1)

- State Level of Performance - 62.0% technical assessment passage rate on State-recognized assessments FY10  
(Established by State Department)
- District Benchmark - 80.0% of CTE Concentrators required to participate will demonstrate competency as measured by a passing score
- 2008-09 - 78.71% of all CTE Concentrators required to participate will demonstrate competency as measured by a passing score
- 2009-10 - 75.24% of all CTE Concentrators required to participate will demonstrate competency as measured by a passing score**

2. *CTE Concentrators will demonstrate world-class academic skills.*

**District Perkins Core Indicators of Performance:** **Student Graduation Rates** (4S1)

- State Level of Performance - 73.6% student graduation rate for FY10  
(Established by State Department)
- District Benchmark - 99.5% of all CTE Concentrators will graduate
- 2007-08 Performance - 96.3% of all CTE Concentrators graduated
- 2008-09 Performance - 99.8% of all CTE Concentrators graduated**
- 2009-10 Performance - One Year Lag in Data**

**District Perkins Core Indicators of Performance:** **Secondary School Completion Rates** (3S1)

- State Level of Performance - 93.25% secondary school completion rate for FY10  
(Established by State Department)
- District Benchmark -
- 2008-09 Performance - 98.84% secondary school completion rate**
- 2009-10 Performance - One Year Lag in Data**

**District Perkins Core Indicators of Performance: High School Academic Achievement **Reading** (1S1)**

State Level of Performance - 87.5% Ohio Graduation Test pass rate for FY10  
(Established by State Department)

- District Benchmark - 100% of all CTE Concentrators required to pass (to be eligible for graduation) the Ohio Graduation Test will pass the Reading section of the Ohio Graduation Test
- 95% of all CTE Concentrators required to participate in the Reading Ohio Graduation Test will pass the Reading section of the Ohio Graduation Test

- 2007-08 Performance - 93.04% of all CTE Concentrators required to participate in the test passed  
2008-09 Performance - 96.57% of all CTE Concentrators required to participate in the test passed  
**2009-10 Performance - 95.17% of all CTE Concentrators required to participate in the test passed**

**District Perkins Core Indicators of Performance: High School Academic Achievement **Mathematics** (1S2)**

State Level of Performance - 83.5% Ohio Graduation Test pass rate for FY10  
(Established by State Department)

- District Benchmark - 100% of all CTE Concentrators required to pass (to be eligible for graduation) the Ohio Graduation Test will pass the Mathematics section
- 95% of all CTE Concentrators required to participate in the Ohio Graduation Test will pass the Mathematics section of the Ohio Graduation Test

- 2007-08 Performance - 93.45% of all CTE Concentrators required to participate in the test passed  
2008-09 Performance - 93.94% of all CTE Concentrators required to participate in the test passed  
**2009-10 Performance - 95.35% of all CTE Concentrators required to participate in the test passed**

**District State Indicators of Performance: High School Academic Achievement: **Science****

State Level of Performance - Not listed

- District Benchmark - 100% of all CTE Concentrators required to pass (to be eligible for graduation) the Ohio Graduation Test will pass the Science section of the Ohio Graduation Test
- 95% of all CTE Concentrators required to participate in the Ohio Graduation Test will pass the Science section of the Ohio Graduation Test

- 2007-08 Performance - 90.69% of all CTE Concentrators required to participate in the test passed  
2008-09 Performance - 93.54% of all CTE Concentrators required to participate in the test passed  
**2009-10 Performance - 93.87% of all CTE Concentrators required to participate in the test passed**

**District State Indicators of Performance: High School Academic Achievement: **Writing****

State Level of Performance - Not listed

- District Benchmark - 100% of all CTE Concentrators required to pass (to be eligible for graduation) the Ohio Graduation Test will pass the Writing section of the Ohio Graduation Test
- 95% of all CTE Concentrators required to participate in the Ohio Graduation Test will pass the Writing section of the Ohio Graduation Test

- 2007-08 Performance - 95.22% of all CTE Concentrators required to participate in the test passed  
2008-09 Performance - 98.04% of all CTE Concentrators required to participate in the test passed  
**2009-10 Performance - 96.7% of all CTE Concentrators required to participate in the test passed**

**District State Indicators of Performance: High School Academic Achievement: Social Studies**

- State Level of Performance - Not listed
- District Benchmark - 100% of all CTE Concentrators required to pass (to be eligible for graduation) the Ohio Graduation Test will pass the Social Studies section of the Ohio Graduation Test
- 95% of all CTE Concentrators required to participate in the Ohio Graduation Test will pass the Social Studies section of the Ohio Graduation Test
- 2007-08 Performance - 92.86% of all CTE Concentrators required to participate in the test passed
- 2008-09 Performance - 97.05% of all CTE Concentrators required to participate in the test passed
- 2009-10 Performance - 95.9% of all CTE Concentrators required to participate in the test passed**

3. Development of technical and academic skills will be facilitated through regular attendance of staff and students.

**District Indicators of Performance: Student Attendance**

- District Benchmark - 96.0% attendance rate for all CTE Students
- 2007-08 performance - 93.1% attendance rate for all CTE Students
- 2008-09 Performance - 93.4% attendance rate for all FCC CTE Students
- 2008-09 Performance - 92.1% attendance rate for all ECC CTE Students
- 2009-10 Performance - 94.6% attendance rate for all FCC CTE Students**
- 2009-10 Performance - 93.1% attendance rate for all ECC CTE Students**

**District Indicators of Performance: Staff Attendance**

- District Benchmark - 97.0% or higher for all secondary staff
- 2007-08 Performance - 95.5% Secondary Staff
- 2008-09 Performance - 96.87% Secondary Staff
- 2009-10 Performance - 95.75% Secondary Staff**
