

Eastland-Fairfield Career & Technical Schools

Learning Recovery and Extended Learning Plan

Timeframe	Plan
Spring 2021	Our hybrid model was revised to include more time in academic classes.
Summer 2021	Summer School – online for credit recovery for current and incoming students.
2021-2022	Additional supports have been added in special education, student supports (EL, Gifted, PBIS, DEI) via a director of student support systems, two administrative interns in student supports, an additional intervention specialist at Eastland Career Center, and expanded EL support staff at Eastland Career Center.
2022-2023	We are planning on adding two secondary literacy specialists (one at each career center) and one additional EL teacher.
